From the Director's Desk.....

As session 2019-20 ends, I am happy to share the 2019-20 Annual Report for the Uttar Pradesh Textile Technology Institute (UPTTI) Kanpur. It is my honour to have joined leadership at UPTTI Kanpur. The Annual Report includes notable programmatic accomplishments, impactful institute details, and our mission and vision. Please read the Report to celebrate and learn more about the myriad of substantive ways that UPTTI Kanpur and our partners have made a difference in the teaching, research, and learning at UPTTI Kanpur.

My "north star" and passion have always been students, ensuring every student has the best opportunity for learning and overall personality development. We learned a lot from pandemic-driven situations like online teaching and learning, online examination and virtual laboratory during the last session. As an institute, we have added a series of new facilities for research and development.

This year, many of our alumni also worked to uplift industrial learning through alumni research cell (ARC). Pivoting from their "day job" to long hours and new responsibilities, I am proud and impressed with our alumni's professionalism and depth of service during Covid-19 pandemic to our students. Just as significantly, many UPTTI staff have picked up new and additional duties to ensure the Institute's work continues and that we continue to move the agenda for students. UPTTI faculty and staff have navigated virtual work environments and accompanying stresses and challenges while keeping our mission and vision on front. Meantime, Institute has signed some important MOUs with HBTU, Kanpur, IIT Delhi and NINFET Kolkata.

I am gratified by the exceptional work that UPTTI is doing, and I look forward to delivering our best in textile engineering education to serve our country and society.

Date: 22-05-2019

To
The Director
Uttar Pradesh Textile Technology Institute,

Kanpur- 208 001,
Uttar Pradesh

Subject: Accreditation status of program applied by Uttar Pradesh Textile Technology Institute, 11/208 Souterganj, Kanpur- 208 001, Uttar Pradesh.

Sir,

This has reference to your application I.D. No. 2724-17/01/2018 seeking accreditation by National Board of Accreditation in Tier-I format to UG Textile Technology program offered by Uttar Pradesh Textile Technology Institute, 11/208 Souterganj, Kanpur- 208 001, Uttar Pradesh.

2. An Expert Team conducted on-site evaluation of the program from 30th to 31st March, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Textile Technology	Tier-I January 2016 Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. upto 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program which has been granted accreditation for three years. Uttar Pradesh Textile Technology Institute, 11/208 Souterganj, Kanpur- 208 001, Uttar Pradesh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a visit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to Uttar Pradesh Textile Technology Institute, 11/208 Souterganj, Kanpur- 208 001, Uttar Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.
